AFFIDAVIT

I, Cherita Persons-Grimstead, am a Paralegal with Schlumberger Technology Corporation, having an address at 14910 Airline Road, Rosharon, Texas 77583, do hereby make the following statement: I am over the age of 21, and do hereby make this affidavit to provide the facts for attempting to contact Des D'Arcy, one of the co-inventors in the above referenced application.

1. On February 6, 2002, I sent an email to Marcus McHugh, one of the co-inventors on this application, requesting information for Mr. D'Arcy (address, phone number etc.) in order to obtain his signature on the Assignment and Declaration documents. Mr. McHugh sent me a reply stating that he and Mr. Kobylinski did not have any information on Mr. D'Arcy and that I should try contacting his employer, RMS. After receiving Mr. McHugh's reply, I contacted Len Pojunas, an attorney with the former RMS office in Atlanta, and requested his assistance with locating Mr. D'Arcy. He was unsuccessful and directed me to contact the United Kingdom office directly. (Copies of the emails are attached)
2. On February 7, 2002, emails were sent to Anna Bruce and Allison Perfitt of the Schlumberger Cambridge office requesting some assistance in obtaining the phone number for RMS UK. I was provided with the number to the main switchboard for which I have attempted on several occasions to call the personnel department, however, was unsuccessful in reaching anyone that could locate the personnel file or any information on Mr. D'arcy.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful statements may jeopardize the validity of the application or any patent issued thereon.

Cherita,

Des D 'Arcy retired from RMS mid 2000, I think. I do not have the information you requested. I suggest you contact his former employer, RMS, to obtain this information.

Henri,

I was wondering if you could help us out with a bit of a puzzle. We are trying to locate address and contact information for a retired RMS-UK employee: Des D'Arcy. The only information we have is that he retired in mid 2000 and may be somewhere in Yorkshire, England. We have filed the US patent application and will need to be able to get his signature on the Declaration and Assignment very shortly.

Do you have any idea who in personnel we might contact to solve this problem?

Many, many thanks,
Susan

Susan,

I don't seem to be able to find a central telephone number for RMS UK. However, perhaps you would like to contact their site in Felixstowe, Suffolk:

Main switchboard number +44 1394 275842

Hopefully, their personnel department can be of assistance.

Regards,

Anna

Len:

We are in need of some assistance in locating a retired RMS inventor on the above referenced patent application. The inventor is Mr. Des D' Arcy for which we only have his home address listed on the Patent Memo as Yorkshire, England.

I have communicated this request to Inga's replacement and now sending this email as a follow up.

If you have any questions, please contact myself or Jeff Griffin.

Thanks in advance for your assistance.

Best regards,

Cherita
